CLUB

# INFORMATION PACK

WHAT IS A JETSKI  
CLUB MEMBERSHIP?

# HOW DOES A JETSKI MEMBERSHIP WORK?

New Wave Club Jetski Memberships are designed for people looking to go Jetskiing without the cost and hassle associated with ownership.

When a member signs up they will be put on a one day RYA Jetski Proficiency Course to give them the skills and competence, which once completed will allow them to access our fleet of jetskis through a simple booking app. Members can then enjoy the jetskis, taking out friends / family without the supervision of an instructor.

Once signed up members pay a fixed monthly fee + the fuel they use each session, we cover Mooring, Insurance, Maintenance, Depreciation, Harbour Permits.

## HOW DOES THE USAGE WORK?

- Members receive 6 sessions per month, 2 Weekend & 4 Weekday. Everyday is broken down to 3 sessions, sunrise - 12.00 , 12.30 - 16.30, 17.00 - 1 hr Pre Sunset.
- If members use up all their sessions additional ones can be booked within 24 hours via the booking app for a fee of £60.

## WHAT IS AVAILABILITY LIKE?

This is the number one question we get asked. In short it is great. With a fleet of 10 Jetskis we monitor membership numbers to ensure this stays like this. We are so confident of this we are happy to put you in touch with current members.

# MEMBERSHIP OPTIONS

We have two different membership options available for those looking for just a Jetski Membership or if looking to combine Jetski and Boat usage we also have a couple of options for this as well so please contact us for separate info or visit [www.new-wave.club](http://www.new-wave.club)

£150 PER MONTH

All Memberships are on a rolling 12 month Contract. Members can pay upfront or via Direct Debit. If via Direct Debit a 10% additional Fee will be charged. All Members will also be required to pay a £500 Security Deposit which is held for the duration of the membership.

# THE FLEET

**MEMBERS HAVE ACCESS TO THE LARGEST & NEWEST FLEET OF JETSKIS IN THE UK**

## SEADOO GTX

The Seadoo GTX 170hp is the ultimate Jetski for all types of adventure on the water, it is the most stable jetski on the market so suitable for riding with up to 3 people onboard and great for riding in a range of conditions.

We have opted for the 170 Models as this will give you a top speed of over 55+mph but being non supercharged will help you burn a lot less fuel per session.

The LinQ system also enables additional accessories such as cool boxes and fishing rod holders for members to participate in a range of activities.

## SEADOO GTI

The Seadoo GTi ticks so many boxes we love them.

The 130hp engine delivers enough power to get the heart pumping and speeds of 50mph +. Similar to the GTX without being supercharged it is one of the most economical watercraft on the market. A large storage locker and also benefitting from the LinQ system members can attach additional cool boxes.

With 6 Gtis and 3 Gtxs in the fleet it is a great opportunity to join and ride with friends on the same skis.

**WANT TO LEARN MORE, BOOK A CALL OR VISIT TO OUR CLUB TO SEE THE FULL FLEET IN PERSON**

# MEMBER EVENTS

WE RUN REGULAR MEMBER EVENTS WHICH ARE A GREAT OPPORTUNITY TO EXPLORE PLACES FURTHER AFIELD IN THE COMFORT OF A GROUP.

Example Trips include :

Needles, IOW Breakfast Trip

A morning run over to the Needles, Isle Of Wight, stopping into Cowell Bay for a bit of breakfast before cruising back over and arriving back to Poole Harbour for lunchtime.

Jurassic Coast Explorer Trip

A chance to explore the more rugged Jurassic Coast with the safety of an Instructor and other riders present. Weather dependent we aim to get down to the famous Durdle Door and Lulworth Cove.

Morning Fishing and Lunchtime BBQ of Catch of the Day

The opportunity to receive some top tips from our resident professional Fisherman in the marina and then attempt to put our new found skills into Practice.. Followed by a BBQ and Lunch in the marina to cook up whatever has been caught

# CLUB VS OWNERSHIP

STILL UNDECIDED? TAKE A LOOK AT OUR MEMBERSHIP VS OWNERSHIP TABLE BELOW TO SEE THE SAVINGS A CLUB MEMBERSHIP WILL BRING.

## Why try subscription Jetskiing?

|                       | New Wave Club | Buying a Jetski                           |
|-----------------------|---------------|---|
| Initial GTI Purchase  | £0            | £13,200                                   |
| Annual Mooring        | £0            | £2,200                                    |
| Annual Insurance      | £0            | £400                                      |
| Annual Servicing      | £0            | £350                                      |
| Annual Harbour Permit | £0            | £170                                      |
| Annual Depreciation   | £0            | £1,320                                    |
| Total Annual Cost     | £1,800        | £4,440<br>Excluding initial Purchase Cost |

FIGURES ARE APPROXIMATE AND ARE BASED ON PURCHASING A NEW 2024 SEADOO GTI MODEL

# FAQS

## How does it work?

All Jetski memberships are based on an annual 12 month contract. Members can sign up at any point in the year. Our RYA Jetski Training runs all year round to assist in this process.

## How many sessions do I get?

Every Member will be allocated 2 weekend (Peak) and 4 weekday (off-peak) sessions per month.

Everyday is broken down into 3 sessions - (Sunrise - 12.00) (12.30 - 16.30) (17.00 - one hour before sunset)

Please note Jetskis can not be operated in the dark so morning and evening session length will vary slightly in length but the majority of usage will fall within British Summer Time so should give plenty of before and after work session opportunities.

Members can purchase additional sessions (£60 per session) if required within a 24 hour period and a Jetski is free.

## How do I book my sessions?

We continually invest in our bespoke Booking App based booking system to give members an even better experience and flexibility.

When you join you will be given access to the booking system which is optimised to work on a phone/tablet or computer. Once your session is booked you will simply collect your key from the Marina Office for your Jetski.

## What is availability like?

This is the number one question we get asked, the short answer is fantastic.

We closely monitor our vessel to member ratios, and have developed our booking system to suit allow members to book up to 2 months in advance or last minute even after a session has started.

We have been running our Jetski and Boat Club since 2009 and have gained valuable experience of how to provide the best service for our members.

If still undecided we would be happy to put you in touch with some of our current members.

## Can I use the Jetski for longer than 4 hours?

The great thing about our calendar being set with 3 sessions per day is that it gives members complete flexibility to head out for just a couple of hours in a session or book back to back sessions to have a full day out on the water, or even just an a distress cruise after work on one of our evening sessions.

## Do the Jetskis have any accessories?

Yes, we have 2 x Large Fishing Cool Boxes with Rod Holders and 2 smaller Cool Boxes which can be used by members and attached securely to the Jetskis.

## Can members tow inflatables behind the Jetskis?

Unfortunately we do not allow you to tow inflatables or waterskiers/wakeboarders behind the Jetski.

# FAQS

## **Is there any mandatory safety equipment required?**

We do require for safety reasons all members to purchase a VHF to attach to their Buoyancy Aids when using the Jetskis. You will also be required to purchase a Buoyancy Aid and wetsuit. We can advise on the most suitable items and members are entitled to discounts at several local watersports stores and VHF Training.

## **Can I take someone on the Jetski with me?**

Yes it is not a problem to take a passenger on the Jetski with you. Please note though that for insurance purposes you are deemed to be in control of the Jetski at all times. We encourage members to use their own common sense when it comes to taking children as passengers and what they feel comfortable with, but would recommend no younger than 6 and strong swimmers.

## **I have already completed my RYA PWC Proficiency Course, does this reduce my joining fee?**

If you have completed the RYA PWC Proficiency Course within the last two years, your joining fee is reduced to £350. We would just require to see a copy of your certificate. We would still require you to do a 2 hour induction to familiarise yourself with our Jetskis and for us to check your competency. Please note if you have completed a Powerboat Level 2 Course you will still need to complete the PWC Proficiency Course.

## **Can I roll my sessions over if I don't use them?**

No unfortunately your unused sessions will not roll over to the next month.

## **What happens if I damage a Jetski?**

Members will be responsible to check over the Jetski thoroughly at the start of each session. Should they cause any damage through improper use they will be liable to meet the full cost of repairs.

## **How far in advance can I book a session and can I cancel one if required?**

Members are able to book sessions up to two months in advance.

Should you wish to cancel a session this can be done up to 24 hours in advance and your allowance returned. If cancelled within 24 hours and another member books up the slot the credit would also be returned.

## **What is the minimum age for a membership?**

All members must be aged 18 years or over to join New Wave Club as a Jetski Member.

## **Do you offer a dual Membership for couples?**

Yes, we offer a dual membership for 2 people living in the same household. 2 members can split the usage and headout on separate Jetskis. An additional £50 per month is charged for this + additional one off training fee for second member of £300

## **Can I jetski in the winter months?**

Whilst some of our members are fair weather Jetskiers we also have some that enjoy Jetskiing all year round. With some warm gear on, a relaxed speed limit through the Harbour Nov – March, and much less traffic out on the water, some of the best days on the sea can be through this time of year.

# FAQS

## **Is there any mandatory safety equipment required?**

We do require for safety reasons all members to purchase a VHF to attach to their Buoyancy Aids when using the Jetskis. You will also be required to purchase a Buoyancy Aid and wetsuit. We can advise on the most suitable items and members are entitled to discounts at several local watersports stores and VHF Training.

## **Can I take someone on the Jetski with me?**

Yes it is not a problem to take a passenger on the Jetski with you. Please note though that for insurance purposes you are deemed to be in control of the Jetski at all times. We encourage members to use their own common sense when it comes to taking children as passengers and what they feel comfortable with, but would recommend no younger than 6 and strong swimmers.

## **Are there any other costs involved?**

The only other cost involved will be that of the fuel you use. At the end of every session each member will be responsible for refilling the ski and washing it down. We also take a £500 damage security deposit, please remember this is a deposit and should you not damage the Jetski in any way it will be returned to you at the end of your membership

## **I will only really make use of the Jetskis through the summer months, do you offer a shorter membership period?**

In terms of your desire to use the Jetskis only through our main season March - October this aligns with about 85% of our members currently onboard. However as a company we still charge an annual membership due to the below reasons :

1. The majority of our members who sign up are often looking to buy a Jetski first and then discover our service, therefore have researched owning a Jetski and are aware that many of the costs of ownership are annual such as marina berthing, insurance, maintenance, depreciation etc so our annual membership pricing is an easy direct comparison.
2. If you were to only use half of your allotted sessions through the 7 months of March - Oct this would equate to 21 sessions a season and on a Gold membership that is only £85 a session or £21 per hour which we feel represents fantastic value.
3. By having members on an annual contract and a slightly higher price point we attract the right kind of members who have a sense of ownership of the fleet and therefore treat and respect our kit a lot better. In turn this creates a great environment and lots of regular member events which you can choose to participate in if you desire.

# FAQS

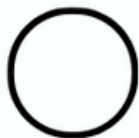

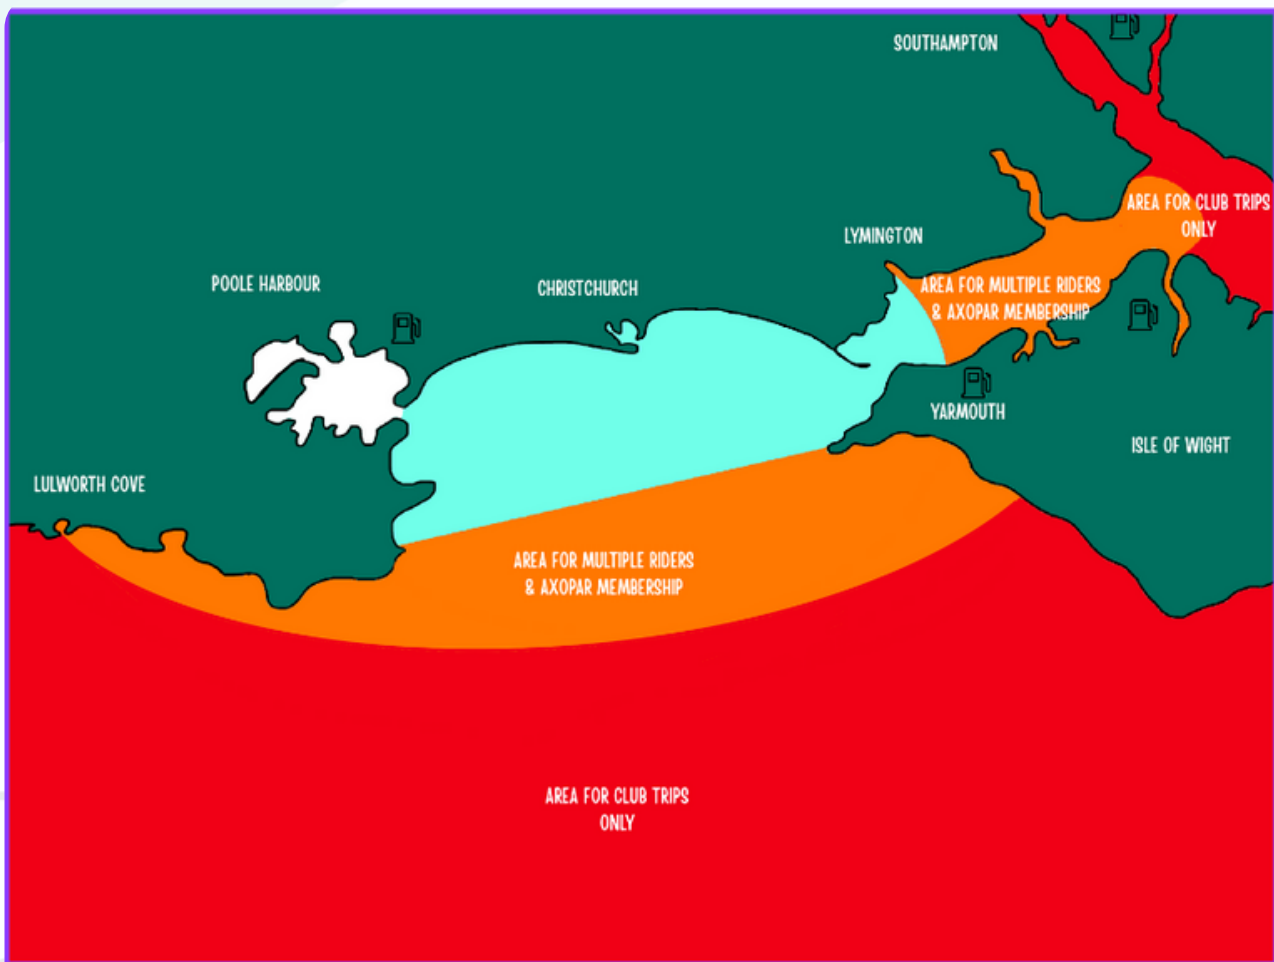

## Where can I take the Jetskis?

Please see chart below in terms of operating areas. Members are always encouraged to build experience before going to far afield. Our member trips are a great way of exploring further afield in the comfort of a group. We also have an active whatsapp group all members can join when which is a great way to share information, tips or see if anyone else wants to join you for a trip out.

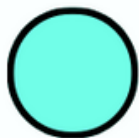

Platinum & Gold Jetski Members can use Zone A and Zone B.

Zone C if you are riding with at least one other jetski.

Zone D is reserved for members trips only.

Zone A  
Poole Harbour

Zone B  
Swanage to  
Yarmouth

Zone C  
Lulworth to  
Cowes

Zone D  
Member Trips  
Only

# NEXT STEPS TO SIGN UP AND START YOUR ADVENTURES
